## 2 Form of play

Individual ranking:

This is a 54 hole individual stroke play event, 18 holes per day. The tournament is eligible for the DGV Youth Ranking as well as WAGR.

In case of equal results for the gold, silver or bronze medal a "play-off" decides. The committee will determine the hole for the play-off. In case of a tie, the position will be decided by matching scorecards based on the best score for the final 36, 18, 9, 6, 3 holes or last hole, in that order. If a tie still exists, the draw decides.

„Nation“-Team ranking:

36 holes stroke-play team event on two match days: 1st match day: (Tuesday) 18 holes, 2nd match day: (Wednesday) 18 holes. Teams of three players (girls or boys team), irrespective of age group. Teams must be entered by completing the entry form and sending it by e-mail to the tournament office. The 2 best results of each team from the 1st and 2nd round count. In the event of equal results, the better overall team result of the last 18 holes will decide the placing. If this result is also equal, the best individual result of the 2nd round of all results of a team decides on the placement, in case of further equality the third best result (strike result), then the draw.
